

CERTIFICATE

The company

Pincroft Dyeing and Printing
Market Street,
Adlington
PR7 4HE Lancashire, UNITED KINGDOM

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **56878**

11-28496 Shirley

Tested for harmful substances
www.oeko-tex.com/standard100

for the following articles:

Commission printing, dyeing and finishing of textiles for work wear, uniforms and PPE. Dyeing and finishing of fabrics made of Polyester / Cotton, Polyester and its blends with Lyocell (Tencel), Polyester / Cotton / EOL (XLA) and some fabrics with antistatic materials (Negastat and Bekinox). Printing of fabrics made from 100% Nylon, Polyester / Cotton, including camouflage printed fabrics using Vat, disperse and acid dyes. May include fabrics finished with an anti-microbial finish accepted by the OEKO-TEX® Association. May also include fabrics with a water and oil repellent finish.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 11-28496 is valid until 08.04.2021

Manchester, 16.07.2020

Mrs Agustina Oliver
